MediaImpression 3.6.1 LE updater for Windows

Thank you for using PENTAX digital camera.

PENTAX wishes to announce the release of the MediaImpression 3.6.1 LE updater for Windows.

MediaImpression 3.0(3.1) may not be installed in the Windows 8 environment which is bundled CD-ROM for below object products. In this case, download the MediaImpression 3.6.1 LE updater and install it. (To install MediaImpression 3.6.1 LE updater, bundled CD-ROM is necessary)

It cannot update **MediaImpression 2.0 and earlier version.**

Other than Windows 8 environment, if you already installed MediaImpression 3.0 and later version, automatically update to MediaImpression 3.6.1 LE / 3.6.2 LE from ArcSoft Inc. therefore this update is not necessary.

Update history

[07, March 2013] Medialmpression 3.6.1 LE updater

[Main changes from Version 3.0(3.1)]

- Corrected --- Medialmpression 3.0(3.1) may not be installed in the Windows 8 environment

-
1. This software may only be used by users who own the Medialmpression.
 2. This software is covered by a software license agreement. Please read the software license agreement before downloading the software.
 3. You will have agreed with this software license agreement when the download starts.

MediaImpression 3.6.1 LE updater Software License Agreement

The customer (hereinafter "the user") shall verify the following items below related to the use of the licensed software supplied to the user by PENTAX RICOH IMAGING CO., LTD. (hereinafter "PENTAX").

The download starts when you press "I agree. Start download." on this software license agreement.

1. Definition of terms

- **Licensed software:** "Licensed software" means the captioned program in a format that the user can download from the PENTAX website or from a site empowered by PENTAX.
- **Use :** "Use" means the user downloading and retrieving the licensed software from the PENTAX website or from a site empowered by PENTAX.
- **Designated machine:** "Designated machine" means the single computer system set up in order for the user to use the licensed software.
- **Reproduction:** "Reproduction" means reproducing the licensed software on a storage device in the same format as the user downloaded or a different format.
- **Modification:** "Modification" means performing alternations or making additions to the licensed software, or creating separate software that makes use of all or a portion of the licensed software.

2. Grant of license

PENTAX grants a non-exclusive license to the user on the condition that the user uses the licensed software in accordance with the terms and conditions of this software license agreement. The user may only use the licensed software on the designated machine.

3. Reproduction of the licensed software

The user shall not reproduce the licensed software for purposes other than to save and backup the licensed software intended for use on the designated machine.

4. Modifying the licensed software

The user shall not modify or reverse engineer the licensed software for any reason.

5. Property rights and copyright

The copyright and other property rights for the licensed software and for reproductions of the licensed software belong to PENTAX regardless of any reason. The user shall not remove the copyright notations from the licensed software or from reproductions of the licensed software.

6. Grant of sublicense

The user shall not transfer possession of the licensed software or reproductions of the licensed software to third parties, and the user shall not transfer the license nor grant a sublicense of the licensed software to third parties.

7. Agreement period

This software license agreement is effective on the day the user starts using the licensed software and is valid until the time the user stops use. Provided that, when the user has violated any portion of this software license agreement, PENTAX may revoke the license granted to the user for the licensed software and terminate the software license agreement.

8. Obligations after termination

After the software license agreement is terminated, the user, at the user's own responsibility, shall dispose of the licensed software after rendering it into a state where it cannot be used by third parties, and dispose of reproductions and modifications of the licensed software, and all materials related to the licensed software.

9. Guarantee of the licensed software

PENTAX shall not guarantee that the licensed software is suitable for the user's designated purposes, or that the licensed software is useful, or that this licensed software is free from defects, nor shall PENTAX make any other guarantees related to the licensed software.

10. Exporting the licensed software

The user shall not directly or indirectly export all or a portion of the licensed software without obtaining the necessary permission from the Government of Japan or the governments of the relevant countries.

11. PENTAX's responsibilities

PENTAX A assumes no responsibility under any circumstance for direct or indirect damage or damage from ripple effects that occurs from using the licensed software, for damage to data, programs, or other intangible properties, or for loss of usage benefits and lost profits.

12. Responsibility for employees

The user assumes all responsibility that the user's employees (those employees that the user has a responsibility to manage or monitor based on an employment relationship) fully comprehend the obligations set forth in this software license agreement and faithfully fulfill those obligations.
